## PRESS RELEASE

MAY 6, 2020

### LAKE COUNTY SHERIFF'S OFFICE TIP LINE

The Lake County Sheriff's Office has instituted a new **TIP LINE** at **(440)352-TIPS** or **(440)352-8477** for our residents in Lake County.

Callers can either text a message to this number or call in and leave a voice message detailing information. Your text/message will remain anonymous unless you so choose to add your information to the call or text so that we can contact you for additional information.

We have created this line so that members of our Lake County community can call in with information regarding persons on our Most Wanted list, crimes occurring in the community, or suspicious activity. Such tips could be key information in solving crimes.

Please note that the tip line is not monitored 24 hours a day so if it is an emergency please dial 9-1-1 for immediate assistance. All tips we receive we be sent to our detectives for investigation or to detectives in our neighboring police departments if it involves their community directly.
