THE SPOTLIGHT IS ON....

The Grand Reopening

If you have been following our email blasts or viewing our newly designed web page, you are aware that in April we safely opened our doors within the guidelines directed by the Health District and the Ohio Department of Aging. We have considered your interests and have worked hard to select certain activities, days and times for Phase One. As you are reading this, we are hopeful that Phase 2 will have already begun or will begin shortly. Refer to page 2 of this newsletter for the additional activities of Phase Two and Three. It is important to remember with the uncertainty of Covid -19, the schedule may change. Check emails daily as this is our main communication tool.

COVID-19 SAFETY

Safety Precautions

- All staff and members must wear face coverings.
- Daily health assessments shall be conducted.
- Maintain good hygiene by hand washing and sanitizing.
- Limit capacity to meet social distancing guidelines.
- Exercise proper social distancing.
- Clean and sanitize activity areas throughout the day.

PLEASE NOTE

This will be the FINAL newsletter you receive until your 2021 Membership is renewed.

Welcome back!
