

The Perry BULLETIN BOARD

Vol. 37, No. 4

4th Edition, 2024

From the desk of...

Happy New Year!! Mother Nature sure socked it to us over Thanksgiving Weekend. The Service Department did an amazing job with maintaining the roads and keeping them as clear as possible. Thank you for your patience and understanding during this monumental event. Fortunately, most of the snow mounds have melted and we will not have to deal with those piles with future snow events this season.

The voters graciously approved the November renewal levy which will allow us to conduct additional paving in 2025. As 2025 appropriations are being finalized, the plan is to set aside an additional \$400,000-\$500,000 for street resurfacing, based on results of competitive bidding. Similar to last year, we bid our paving projects in conjunction with Madison Township to secure lower pricing. All paving projects are prioritized based on the township's pavement analysis performed by an independent engineer as funds are available.

At the Township Park, the major upgrade to our current restroom facility is underway. This project will include ADA (American with Disabilities Act) upgrades to both the women's and men's area. This upgrade will allow wheelchair access, walkers and those people with aides/companions to easily access the restroom facilities. The upgraded facility will be completed by park opening in 2025.

The Shred It event we held in October was very well attended. We are pleased to announce that we will be hosting another event on **Saturday, October 18, 2025** from 9:00 am - Noon. This is the perfect time to go through all of your papers that include personal information and start filling some bags to shred. All shredding is done on site.

This past December, the Township lost a pillar of our community with the passing of **Rick C. Amos**. Among the many hats that Rick wore, he was a Perry Township Trustee for just short of twenty years. Prior to becoming Trustee, he served fourteen years as a member of the Perry Board of Education. Rick drove around the township every Sunday morning to check things out and see if there was anything out of place that needed to be fixed. Rick was the biggest cheerleader for this community and was always working to make Perry a better place to work, live, play and raise a family. Rick will be dearly missed.

Just a friendly reminder, please don't park in the streets or especially the cul-de-sacs during winter snow events. Vehicles parked in these areas make it difficult for the plows to clean the road properly. Have a warm and safe winter season.

Karen Sundy, Administrator

AMERICAN LEGION

Thanks to the generous donations from local veterans, businesses, residents, and veteran service organizations, we were able to complete 70% of the construction of the Perry MIA & Veterans Memorial during 2024. Special thanks to: Hernandez Concrete and Construction, Osborne Companies Inc, Leppo Rents Perry, Handy Rents Painesville and all of our donors and volunteers.

We are building this MIA & Veterans Memorial to raise awareness, and to remember and honor their service and sacrifice. Of the approximately 200,000 missing soldiers, sailors, airmen, marines, coastguardsmen and merchant marines, more than half remain nameless and are remembered only as an estimated number. Among the names of the approximately 90,000 missing since the beginning of World War II, hometown information is currently available for only about 9,000 of them. For most, only their families and friends know who they were, and after a couple of generations their sacrifice is lost forever. The final chapter of their lives remains unknown and no headstone or American Flag flies above their final resting place.

We need your continued support to complete this Memorial. The remaining work includes installation of a walkway to connect the MIA Memorial to the museum and the refurbished Veterans monument, purchasing and engraving eight benches, and landscaping and installation of an entrance monument. Please make checks payable to: "American Legion, Perry Post 697" and mail it to: American Legion, Perry Post 697, P.O. Box 215, Perry, Ohio 44081. Feel free to contact me if you have any questions.

Brick Pavers: Please consider memorializing or honoring an MIA or Veteran. 4"x8" and 8"x8" laser-etched brick pavers and 8"x16" long engraved black granite markers are available. Please visit the Memorial and learn more about the assignments and accomplishments inscribed on the 30 veteran brick pavers already installed in the Memorial walkway. We plan on holding a short ceremony to commemorate the installation of the first MIA bricks. We hope to install the first 8"x16" engraved black granite markers prior to Memorial Day. Please submit your order by February 7th if you would like your brick installed prior to Memorial Day. Additional information can be found on the Township, Village and North Perry Village websites. Brick Paver forms are available at the Perry Senior Center, and at the Township and Village offices. Feel free to email: perryalpost697@gmail.com, or call or text Tom Anderson at 330-352-5378 or Mark Woltman at 440-417-2011.

Year in Review for North Perry by Brian Titus:

As we reflect on 2024, North Perry has made significant strides in improving our community. Key highlights include the approval of a new cell tower to address poor service in the northeastern part of the village, the groundbreaking of the Painesville Credit Union project, and updates to council rules to improve meeting efficiency while keeping the public engaged.

A critical focus this year has been the Safe Harbor, with efforts underway to ensure its continued safety and accessibility for boaters, especially after the tragic July incident on the lake. Looking forward, we're working on enhancing handicap access to parks, strengthening our partnership with Vistra and the Perry Nuclear Power Plant, and preparing for the Route 20 widening project coming this spring.

We're also excited to celebrate North Perry's 100th anniversary as a village on July 19, 2025, with plans for a community celebration. Thank you to all for your ongoing support as we continue to work together to make North Perry an even better place to live!

Visit www.northperry.org/documents to see the North Perry Village Newsletter. The NPV Newsletter is posted every other month.

PERRY VILLAGE

Greetings from the Village of Perry!

As the year has drawn to a close, we'd like to take a moment to reflect on the wonderful events and milestones of 2024 while looking ahead to an exciting 2025. Thank you for being an integral part of our community. Here's what's happening this month:

Seeking Volunteers for Pitch In Program

The Village of Perry is looking for volunteers for our **Pitch In Program**, designed to assist residents in our community who are unable to maintain the exterior needs of their homes and lawns. This is a wonderful opportunity to give back and support neighbors in need.

If you are interested in volunteering or would like more information, please contact Councilman Rick Walker: perrycouncilmanrick@gmail.com (440)221-7844

Taxpayer Reminder: Register with RITA

All taxpayers in the Village of Perry are required to register with the **Regional Income Tax Agency (RITA)**. Ensure your account is up-to-date to avoid penalties and to ensure compliance with local tax regulations. For questions or instructions on how to register, please contact RITA Services at: (440)526-5332 or (800)860-7482

Council Meeting Schedule

The Village Council will begin to meet twice a month starting January 2025. This will be the second and fourth Thursday of each month beginning at 7:00PM. Meetings are held at the Village Municipal Hall and are open to the public. Stay informed about Village decisions and share your input by attending. If the second meeting of the month is not necessary, it will be cancelled. Please visit us on our website for any changes in the schedule. www.PerryVillageOhio.com

PERRY HISTORICAL SOCIETY

2025 will be a year of celebration for North Perry Village, as the village reaches its 100th anniversary. On July 18, 1925, the village was formed by petition. Spokesmen for the village petition were John Brock and William Seith. North Perry's population in 1925 was 430.

The Perry Historical Society, celebrating its 34th year in 2025, would be honored to assist with North Perry's centennial celebration activities. The Perry Historical Society is in the planning stages for 2025 public events. Events will be advertised on the website and Facebook page.

Ken Densmore was an interesting lifelong Perry resident, who provided his oral history to the Perry Historical Society in 1992, when he was 90 years old. I am providing a short snippet of his oral interview:

Mr. Kenneth Densmore was a long-time resident, who was born in his parents' home, Blair Place, in Perry Township during 1902. When Ken was a young man, he assisted his father, Harry Lester Densmore, with farming and thrashing the grain crops of local farmers. Harry Densmore and Ken would haul the steam operated Hubert Thrashing machine to most of the farms in Perry. They thrashed wheat and oat crops. After thrashing the grains, horse drawn wagons would travel to the Perry railroad depot. Trains would haul the threshed grains to businesses. Ken said before the 1920's, travel on dirt roads in Perry was difficult because of deep ruts or mud from rains. From the Densmore home near Blair Road, a two-horse wagon train would take an hour to reach the Perry train depot. If a horse team was traveling to Painesville, the horses would be refreshed at a watering trough in the middle of Perry Village and at a trough located at the corner of Bowhall Rd and Madison Avenue in Painesville Township.

PERRY JOINT FIRE DISTRICT

I hope everyone had a wonderful holiday. It's hard to believe 2024 has come to a close. We have already had our first snowstorm of the season and it was a doozy! Please keep in mind if you have a fire hydrant on your property, please keep it clear. We want to be able to help you if a fire should occur.

As always take it slow when driving on snowy roads. Allow yourself extra time and be safe.

If you have any questions or concerns, I can be reached at 440-259-2880 Monday through Friday from 7:30 a.m. until 4:30 p.m. or dchiappone@perryfire.info.

Road safety tips

❖ Winter weather can be unpredictable and dangerous, especially when driving. Snow, ice and sleet can increase the risk of accidents.

❖ On average, winter weather directly or indirectly contributes to over 540,000 vehicular accidents in the United States. The National Highway Traffic Safety Administration estimates that approximately 120,000 occurred during snowy or sleet conditions.

❖ Preparing your vehicle and taking precautions before heading out can make a big difference if you need to drive. Follow the tips below to stay safe on the road.

❖ Before driving in snowy weather, removing all snow and ice from your car's windows, roof and lights is crucial to ensure visibility and prevent accidents. This will help you see and be seen by other drivers.

❖ When driving, increase your following distance from 3-4 seconds to 5-6 seconds. It takes longer to slow down and stop on icy roads. Leave more space between your vehicle and the car in front of you. This will give you more time to react if you need to stop suddenly.

Maintain Your Vehicle

❖ It is a good idea to keep your car regularly maintained throughout the winter season. Here are some things to check up on regularly

- Ensure your gas tank is full, as a full tank can prevent fuel line freezing.
- Ensure your headlights, brake lights, turn signals, emergency flashers and interior lights are all in working condition.
- If you have an electric or hybrid vehicle, keep your battery charged and minimize the drain on the battery.

Please be safe while driving this winter

OHIO TOWNSHIPS

PRE-DATING OUR STATE GOVERNMENT SINCE 1804

★ **35** ★
PERCENT

Over 35% of Ohio residents live in a township

There are **1,308** townships in Ohio, and they are varied in population **size** and annual operating **budget**.

WHAT DO TOWNSHIPS DO?

Townships are grassroots, statutory governments that provide many basic services to their residents, including the following:

Road Maintenance

Safety Services

Parks & Recreation

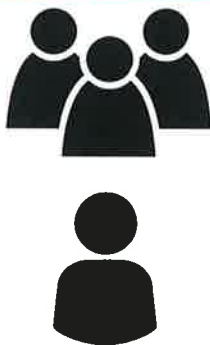

Solid Waste Disposal

Land Use & Planning

Cemetery Management

Three trustees and a fiscal officer, each elected to a four-year term, administer our townships today. Additionally, some townships appoint a township administrator and other employees to help plan, coordinate, and implement township goals.

Elected officials fill their roles on a part-time basis. Their intimate knowledge of their community, its needs, and its citizens enables them to offer more personal service than any other unit of government.

DID YOU KNOW?

Ohio townships have direct responsibility for maintaining 41,000 miles of roads and streets, and townships manage more than 2,400 cemeteries!

THE PERRY CENTER

Food Pantry

HAPPY NEW YEAR from The Perry Center, your local food pantry. As we say goodbye to 2024, we look forward to a better, more prosperous 2025. We, again, remind our clients that we are here to serve you...once every 30 days for food and every Friday for produce. If you are not a client and need assistance, and you live in Perry, work in Perry or worship in Perry, please call **440/259-3332** and we will sign you up. Also, if you know someone who needs help, please refer them to us.

Hours of service: **Tuesdays from 9:00 am to noon and**
Fridays from 1:00 to 4:00 pm.
Other times available by appointment

This was a busy quarter for us at The Perry Center. We gave out turkeys and chickens for **Thanksgiving** and included such items as sweet potatoes, stuffing mix, gravy and cranberry sauce for their holiday dinner.

Christmas at The Perry Center this year was also very busy. We served 95 households consisting of 157 children and 215 adults. Of the 157 children who applied for Christmas assistance, 121 were "adopted" by organizations and/or individuals, 16 participated in the Sheetz program and 20 were presented gifts from The Perry Center, the Knights of Columbus or other local agencies. Generous donations from our community enabled us to provide a gift card to each family who applied. Each household also received a box of food including a ham with the larger families also receiving a turkey.

We continue to purchase food for the **Pirate Power Pack** weekend food program. We also provide snacks for several classrooms.

We want to **thank** all who volunteered this quarter, local gardeners who donated produce, and all who donated money and/or provided gifts for our clients. Eight of our churches in Perry are great supporters: First Baptist, Faith Baptist, New Life, Perry Christian, North Star, Bridge, St. Cyprian and Perry United Methodist churches all provided items for the food boxes, and several "adopted" children for Christmas. Thanks, also, to Rideout's IGA, West Orchards and Farm Market and the Perry School Maintenance Department. We appreciate the assistance we get from all of you. We could not manage without **YOU!**

Easter this year is Sunday, April 20th. Clients, please watch for a text for Easter applications. If you are not currently a client and need assistance for Easter, please call us and we will get you signed up.

Carole Martin and Brenda Carr, Co-Administrators

Everything at Thriving Threads **IS FREE**, there are no income or residency requirements, we welcome **EVERYONE**, no matter where you live.

Our address is **4261 Manchester Rd., Perry OH, 44081**. We are located in the back of the building across from Perry Elementary School, there is a big wooden structure to donate clothing 24/7, or you can come into our store during business hours, **Tuesday 9-12 and Friday 1-4**.

If these hours are not convenient, you can email thrivingthreadsinperry@gmail.com, to schedule an appointment.

THE PERRY WOMEN'S LEAGUE

Thanks to the generosity of the Perry community, the Perry Women's League hosted two very successful fundraising events in 2024. Once again, we were fortunate to pre-sell all the tickets to our annual Bunny Lunch event that was held in March and in September, we hosted the Daisy Drop at the Perry Fall Festival. Between the money raised from ticket and raffle sales and the Chinese auction at the Bunny Lunch, the PWL was able to continue to support our community projects. In April PWL members assisted the Perry Service-Learning Class with the clean-up of a few Perry Senior Citizen yards as well as provided a grab and go breakfast for those who volunteered with cleanup during the annual Community Green Day event. We were fortunate to again be able to award two \$500 scholarships this past May to Kara Vis and Sarah Heffernan, two of many deserving high school seniors who exemplified service to our community. As part of the PWL's motto of giving back to the community, we adopted 10 children from the Perry Center and our members shopped for Christmas presents. Christmas is always about giving and the PWL would like to extend our sincere thanks for supporting us in 2024.

Whether you are someone who attends our annual Bunny Lunch, purchased a raffle/sideboard ticket for the Daisy Drop or a local business that donates items to help with fundraising, you all have a hand in our ability to serve others. Thank you for your continued support each year!

Mark your calendar for our **Bunny Lunch** event that is set for **Saturday, April 12, 2025!** Tickets will be available mid-March! Keep your eyes open for additional details.

We welcome anyone who is looking for a way to support our community to join us. Contact us to learn more or stop by one of our meetings, held quarterly on the first Thursday of January, April, July, and October at 7 p.m. at the Perry Public Library.

Please visit us on our website: www.perry-lake.org/PerryWomensLeague.aspx or follow us on Facebook (Perry Women's League). You can also write/email perrywomensleague@hotmail.com.

On behalf of the Perry Women's League, we wish you a healthy and prosperous New Year.

PERRY CEMETERY

Winter in the cemetery can be tricky as we saw at Thanksgiving time. Drifting happens quickly and can make navigating the drives a challenge, not to mention that lower headstones can be covered by snow and dangerous if you're walking around. Waiting until the Service Department has a chance to clear the drives is always the best bet. The other big challenge is the wind. Please make sure to really anchor any items you place at the graves to help make sure they stay where you place them.

A quick note - we sadly lost one of our former Trustees just before Christmas. While the Trustees have many aspects to their jobs, **Rick Amos** was especially attentive to the cemeteries and many times provided great support and advice. Our sympathies to his family - he will be greatly missed. As you know, Christine Page is our newest Trustee who was elected when Rick retired. We're lucky to have her input and support as our Trustee in charge of the cemeteries.

We will not be pouring foundations again until next May; we anticipate a cutoff date of April 30, 2025 for the May foundations, so there's plenty of time to make arrangements with your monument companies.

We wish you a Happy 2025! If you have cemetery questions or if there's anything I can help you with, please don't hesitate to call me at 440-417-2010.

ZONING

2024 in review: This past year was one of the busier years in The Township Zoning Department. We issued 115 zoning permits. We reviewed, updated and added some definitions and zoning regulations in the Township Zoning Resolution. Azalea Ridge Farms development, which opened for construction in the second half of 2023, built quickly and is almost complete. Sullivan Development LLC purchased the Industrial property at the South end of Lane Road and did a great job quickly refurbishing those buildings. Several other new businesses moved to Perry and several more are looking to possibly move here in the future.

Outlook for 2025: As we move into the new year, there are several projects that will be started or taking place this year within the Township:

- **Route 20/ North Ridge Road-** ODOT will be continuing their road widening and paving project. Additionally, Sheetz is working on county permits to rebuild a new and updated facility at their existing location. A couple of new businesses are also looking to possibly move into Perry along North Ridge.
- **Perry Park Road-** The Township and County will be working to bring sewer down through the Industrial Zoned portion of Perry Park Road. This project will allow for more growth in the JEDD. There is currently a prospective company interested in moving to Perry and a couple others that have inquired. Adding sewer to that area will make it more attractive to a greater array of companies.
- **Lane Road-** Major Waste is looking to move their company headquarters to Perry, into the industrial zoned section of lane Road. They are currently working with the county on their plan.

We have had calls regarding a residential development on Lane Road. To clear up any misconceptions or rumors floating in the community, here is the up-to-date status. That portion of Lane Road is zoned residential. After consideration of several proposals for a Planned Unit Development which would allow smaller parcels and more houses, the Township Trustees and Administration held firm to maintain the current zoning for the property. This was done to maintain the integrity of the current Zoning Resolution and Township Comprehensive Plan. Parcels must be a minimum of 1 acre and homes must have a minimum of 1800 square feet of living space and adhere to existing setback requirements. A developer is currently working with the various counties and safety agencies on a plan. If/when final approval is received by all agencies, the developer will be able to move ahead with infrastructure, if they choose. Each new home will need separate zoning and county approvals to ensure all zoning, building and health codes are met.
